## Devotions

Housing simulation: We had the members complete a housing simulation to demonstrate the difficulties people have when looking for housing and the strict requirements that shelters have.

Build: There will be the usual morning and afternoon shifts 8:30am-12pm and 12-3:30pm. They are planning on doing either siding or painting this weekend. Contact Tony or Mike at [workprojects@uwhabitat.org](mailto:workprojects@uwhabitat.org)

Trips: Please turn in paperwork to Patrick. He is still looking for trip leaders - one for each trip. Also Stephanie has a refund check for people who went on winter break trips. Talk to Patrick at [trips@uwhabitat.org](mailto:trips@uwhabitat.org)

Act Speak Build week: This week is the largest advocacy for Habitat. We are kicking it off in Minnesota by volunteering with Feed my Starving Children. We will leave on Friday (leaving between 1-2) on March 27<sup>th</sup> and staying in a church. The church will make breakfast for us on Sat. and then we can do something fun on Sat. We have 15 slots and will be bringing our own cars so will need drivers as well. There will also be a quick ASB meeting after the meeting tonight. Talk to Brooke ([education@uwhabitat.org](mailto:education@uwhabitat.org)) or Kaela ([advocacy@uwhabitat.org](mailto:advocacy@uwhabitat.org)) if you are interested.

Statewide Advocacy Ring. The ring of all the colleges in Wisconsin will write advocacy-type letters every month and send them out every third week. Kaela would like people to help research bills and topics about which we can write letters. Please talk to Kaela at [advocacy@uwhabitat.org](mailto:advocacy@uwhabitat.org) if you are interested.

Spring Fundraiser: Try to meet this week with Amanda or Michelle hopefully at the SAC.

Souper Bowl Thank You Dinner is next week Monday March 3 at 7pm at Calvary. This is a big thank you for all the people that helped make Souper Bowl happen.
